# A Special Message *from the* Chancellor/Founder

## **Dear Friends,**

These sermons represent some of the thinking and studies in which I have been involved in the last five decades. The messages are by no means outstanding. They are simple messages which I have shared with various congregations during these years. We have no delusions that these are great sermons of a great preacher. They do not show great oratory nor great expositions of Bible themes. They are not professionally recorded. They are unedited and contain not only the proverbial slips of the tongue, but the background noises of the congregation which heard them. We do not present these to the Church in pride, but in humility. These sermons show our weakness as a student, preacher, and speaker. Any redeeming quality, which this media may have, is strictly in the fact that they are based upon the Word of God. However, they are from a sincere heart, and we believe they are true to the Word of God!

To order tapes, CD's, DVD's, MP3's, articles or material from our bookstore, we suggest providing the item number preceding the material that is being ordered.

## **Checks should be made payable to:**

**Summit Theological Seminary  
2766 Airport Road - Peru, IN 46970**

We accept **MasterCard, Visa, or Discover Card**. Please provide the name on the account, address, phone number, card account number, and expiration date when applying towards your credit card (and the 3 digit code on back of your card).

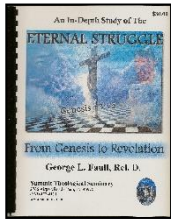

Individually, the cost of each CD or tape is \$4.00; VHS/DVD's are \$8.00. We can usually get 2 sermons per tape unless the sermon requires "Both Sides". CD's can only hold up to 79 minutes per CD unless you request them in MP3 format (you need an MP3 converter to be able to listen to these messages).

The cost for our articles are listed in the back of this catalog, as well. The income from the sales of these items goes towards maintaining the STS staff, none of it is retained by me as I make my living by selling Annuities. Please note that the shipping and handling charges are not included in the prices shown for any of our material.

Thank you for your interest and your prayers in our ministry.  
God bless,

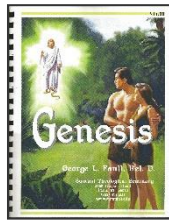

Chancellor/Founder of Summit Theological Seminary

- B-53Q63 I heard you say that the men who teach that the Apostolic gifts which continue today are inconsistent, for if the good gifts exist, the judgmental gifts continue, too. I do not understand what you mean by that. Would you explain?
- B-53Q26 I notice that you never refer to yourself as **Reverend**. Since this is a common practice throughout the world for preachers, why do you abstain from the use of this prefix? Are you ordained?
- B-53Q70 I read a book by Dan Gayman that advocates that Adam was a white man because the word means "to show blood in the face, to flush or turn rosy, red, or ruddy." He says the Bible is about the Anglo Saxon race and that Adam is the father of only one race, the white race. What do you think of all this?
- B-53Q72 I read a tract by Cedric Root on "The Work of the Evangelist." He maintains that the office of Evangelist no longer exists. If have read it, give me your comments.
- B-53Q76 I read in a book that **Isaiah 14** and **Ezekiel 28** make no reference to Satan as is often taught. Do you agree?
- B-53Q23 In **John 3:13** it states that "no man" has ascended into Heaven but Jesus Christ, but **II Kings** says that Elijah was taken into Heaven by a whirlwind and **Hebrews 11:5** says that Enoch was translated into Heaven without seeing death. Is this a contradiction?
- B-53Q9 In **Luke 1:67**, Zacharias, the father of John the Baptist, was filled with the Holy Ghost." But in **John 7:39**, it says, "The Holy Ghost was not given." It has been my understanding that man never received the Holy Ghost until the day of Pentecost "after the crucifixion!" Please explain.
- B-53Q19 In **Luke 17:20-21**, it would seem that Jesus is saying that there will not be a physical kingdom when He says it is in you or a spiritual place instead, ie., in the mind or heart. Please explain:
- B-53Q33 In **Mark 5:1-17**, **Matthew 8:28-34**, and **Luke 8:26-37** is a story of 2,000 swine killed by Jesus. Is this fair?
- B-53Q24 In my Bible footnotes regarding **Mark 16:9-20** it says, "The two most reliable early manuscripts do not have **Mark 16:9-20**." What does this mean? Aren't they inspired?
- B-53Q47 In **Numbers 26:65** the Bible says that only Joshua and Caleb entered into the Promised Land. Why do some people say that more entered in?
- B-53Q85 In your opinion, was Paul ever married?
- B-53Q60 Is a Church Scriptural if it does not have elders, deacons and an evangelist?
- B-53Q17 Is "feeling saved" enough?
- B-53Q16 Is it sin to eat meat, as some insist?
- B-53Q11 Is it true that "No man hath seen God?"
- B-53Q18 Is it wrong to meditate and try to solve one's problems?
- B-53Q65 Is sex before marriage a sin against God?
- B-53Q46 Is there ever reason for a person to be re-baptized?
- B-53Q48 Isn't it true, if an Evangelist has done his work right, and ordained good elders in the Church that he works himself out of a job, and is no longer needed? In other words, does a local Church need an Evangelist if you have qualified Elders?
- B-53Q84 It's just a stupid piece of paper. Why should we get married?
- B-53Q55 Must an Elder be married and have children?
- B-53Q25 Must an Elder have more than one child since the qualifications say, "His children must be in subjection?"
- B-53Q50 My preacher and his wife are a real stumbling block to me. They do not discipline their child, and they even tell the rest of the Church that spanking a child is not right. When shown the **Proverbs**, he says, "That's Old Testament." He says there are better ways to do it than spanking a child. But his child is a brat. What do you think of what he says?
- B-53Q57 One of my college professors says that an Elder does not need to be married. He says that the Greek construction does not permit the meaning that **he must have only one wife, and if he has children, they must believe**.
- B-53Q68 Should a Christian try to influence their child's thinking when it comes to God and the Bible, or should they let them grow up and make up their own minds?
- B-53Q30 Some of the prisoners here were arguing over the subject of masturbation. What does the Bible say?
